Sales recruitment and selection by Women in Sales

It will often cost you a lot of time to find the right professional for your department. A better solution is to use a Recruitment and Selection Agency like Women in Sales. We are specialized in recruiting and selecting female sales professions.

Reasons to choose Sales Recruitment & Selection:

- *Insufficient resources, time and focus*
- *Our expertise in recruitment and selection*
- *No background or reference check necessary*
- *You don't have to let down unsuccessful applicants yourself*
- *Wide range of suitable applicants*

Based on your requirements and wishes we will find the perfect match for your organization. You will only have to interview the selected applicants and you'll decide which applicant is most suitable for your organization.

Advantages Sales Recruitment & Selection

Women in Sales helps you find the right professional. Besides finding the perfect match, Sales Recruitment and selection has multiple other advantages:

Help you draft the job description

Finding the ideal candidate gets much easier with an accurate job description. We help you set the job requirements and profile. This will lead to only the most suitable professionals coming up during the recruiting and selection process.

Recruiting sources

We have a large network and reach a maximum number of people by posting the job opening on adequate job boards and on our own website.

Save time

We've mentioned it before but saving you precious time is one of the most important advantages of Sales Recruitment & Selection. You won't have to worry about the pre-selection and searching for the right person because that's all done by us.

Easy

You won't have to go through the efforts of posting ads and reading endless application letters. We will make the application process a lot easier for you.

Extra schooling

Women in Sales will evaluate whether applicants are suitable for you through assessments. We can also accommodate extra schooling or training for the professional of your choosing.

For more information about schooling we refer you to our DevelopHER page.

Women in Sales' method

We always start with a personal intake interview, in which we'll discuss your wishes and organizational culture. We use this knowledge to then find the right professional for your organization. The Sales Recruiting and Selection process is unique for every company. We don't believe in a one size fits all approach. Through assessments we evaluate which applicants are most compatible to your wishes and organizational culture. These are the candidates we will then introduce to you.
